

Information with respect to data safety

We, LUTZ & GRUB AG, take the protection of your personal data very seriously and submit ourselves strictly to the regulations of the data privacy act thereof. Therefore this website contains personal data only when necessary within the framework of technical necessity. In no event collected data is being sold or handed over to third parties for any other purposes thereof. The subsequent declaration gives you an overview on how we guarantee said safety and what kind of personal data are being collected when and why.

Data processing with respect to this internet page

LUTZ & GRUB AG automatically collects and saves Log File information your browser submits. These are: Browser type/ -version, operating system used, Referrer URL (the page previously visited), host name of the accessing computer (IP address) as well as the clock time of the service request. These data cannot be allocated to specific persons on behalf of LUTZ & GRUB AG. There will be no consolidation of said data with other data sources on this behalf; moreover, the data are being sanitized after a statistic evaluation thereof.

Cookies

LUTZ & GRUB AG's website uses so-called cookies. The purpose of these is to offer our services in a more user-friendly and safer way. Cookies are small text files being stored on your computer, registered by your browser. Most of the cookies used by us are so-called „Session-Cookies“. They are being sanitized immediately after you have visited our website. Cookies do not harm your computer and they do not contain any viruses.

Automatically generated offers

If you wish to receive the automatically generated offers mentioned on this website, we need your valid e-mail address as well as information allowing us to verify that you are indeed the owner of the relevant e-mail address thereof, respectively that the owner of said e-mail address duly accepts the reception of the relevant offer. We do not collect additional data on this behalf. At any time you may withdraw your acceptance with respect to the collection of your data, your e-mail address as well any use thereof with respect to sending out our offers.

Seminar registration

In the event of a binding seminar registration you reveal your personal data. We thus record the exact time of your registration as well as the relevant IP address on this behalf.

Right of Access

At any time you are entitled your right of access with respect to your personal data recorded by us, their origin and recipient as well as with respect to why they have been recorded. Our data protection officer will inform you on the recorded data: datenschutzbeauftragter@lutz-und-grub.de

Additional Information

Your confidence is important to us. Therefore we undertake to inform you openly when it comes to terms with processing your personal data. If you have any questions that have not been answered by this data protection declaration or if you need further information on this behalf, please contact our data protection officer at any time: datenschutzbeauftragter@lutz-und-grub.de

Webtracking

In order to determine the frequency of use as well as the number of users of this website we are using tracking software. This software does not record any personal data or IP addresses. All data are exclusively used for statistic purposes in an anonymized and summarized way, as well as for further developing this website.

This website uses Google Analytics, a web analytics service provided by Google, Inc. (“Google”). Google Analytics uses “cookies”, which are text files placed on your computer, to help the website analyze how users use the site. The information generated by the cookie about your use of the website (including your IP address) will be transmitted to and stored by Google on servers in the United States. In case of activation of the IP anonymization, Google will truncate/anonymize the last octet of the IP address for Member States of the European Union as well as for other parties to the Agreement on the European Economic Area. Only in exceptional cases, the full IP address is sent to and shortened by Google servers in the USA. On behalf of the website provider Google will use this information for the purpose of evaluating your use of the website, compiling reports on website activity for website operators and providing other services relating to website activity and internet usage to the website provider. Google will not associate your IP address with any other data held by Google. You may refuse the use of cookies by selecting the appropriate settings on your browser. However, please note that if you do this, you may not be able to use the full functionality of this website. Furthermore you can prevent Google’s collection and use of data (cookies and IP address) by downloading and installing the browser plug-in available under <https://tools.google.com/dlpage/gaoptout?hl=en-GB>.

You can refuse the use of Google Analytics by clicking on the following link. An opt-out cookie will be set on the computer, which prevents the future collection of your data when visiting this website:

Further information concerning the terms and conditions of use and data privacy can be found at <http://www.google.com/analytics/terms/gb.html> or at https://www.google.de/intl/en_uk/policies/. Please note that on this website, Google Analytics code is supplemented by “anonymizeIp” to ensure an anonymized collection of IP addresses (so called IP-masking).
